Mark, thank you for reaching out to us for a meeting to discuss the Wilcox Oil Company Site and the proposed cleanup actions for the source materials. I am available on September 25, 2018, to participate in an afternoon meeting at the ODEQ offices in OK City. I have blocked these days and will make final travel arrangements when the meeting is confirmed.

Marvin Benton is the site attorney, and I understand that you have questions related to insurance and liability. He is reviewing his schedule to determine availability for the meeting. If he is not able to attend in person, we can arrange a conference call to discuss the specific questions. Or, if there is a conference line available he may join the meeting by phone.

To facilitate discussions, I will bring copies of the proposed Plan/ROD, site maps of the source area locations, an updated access agreement, and any other items you think will be useful during our meeting.

Thank you again and I look forward to the meeting.

Katrina,

Thank you for your time yesterday on the phone. I really appreciate all that you and Todd shared with us at the Informational Meeting a few weeks ago. It was wonderful to have a large representation from our church present at the meeting to hear your timely update about our property and the rest of the Superfund site. The meeting helped us inform and communicate with our congregation about some of the EPA's future plans for the Wilcox/Lorraine site. We are thankful for all your hard work. We are praying for you as you lead and navigate our community through in this great endeavor.

We are also looking forward to the possibility of meeting with you and Todd Downham on Tuesday, September 25. Let me know if Tuesday works good for you. Pastor Mark Lehmann will be in Bristow with us September 25-27. He lands in OKC on Tuesday morning. I thought we could meet sometime Tuesday afternoon, at your convenience. Since our church is now part of Cornerstone Church (Bowie, Maryland), I wanted to make sure that Pastor Lehmann has the same opportunity to catch up on recent developments with our property. I thought it would be best for us to meet at DEQ headquarters in Oklahoma City, like we have in the past with Pastor Frank Cargill and Mike Blaschke. Pastor Mark and myself will both need to re-sign our access agreement with the EPA, since our church is under the oversight of Cornerstone Bowie. Pastor Lehmann is allowing me to continue to be the liaison ("boots on the ground") for Bristow. Our church has also recently changed our insurance company and we are now covered under the same policy as Bowie. We just want to make sure that our insurance company is brought up to speed on recent developments as well and that we understand our church's liabilities moving forward. Any assistance that the EPA can provide in this area would be a tremendous help to us.

The following is a list of people who I would like to email regarding the invite to our meeting on Tuesday afternoon, September 25:

Mark Lehmann pastormark@cag.org
Frank Cargill frank.cargill@okag.org
Superintendent)

(Cornerstone Bowie, Maryland)
(Oklahoma District)

Mark S. Evans mark@cag.church

(Cornerstone Bristow,

Oklahoma)

Mike Blaschke mblaschke@thelawgroupokc.com

(Cornerstone Church Attorney)

Lori VanWinkle

lvnwinkle@thelawgroupokc.com

(Paralegal for Mike Blaschke)

Thank you so much for your time and for making this meeting possible. We are looking forward to visiting with you again.

Have a wonderful week.
